

ABDUL MANAN

PROFILE SUMMARY

Skilled in network and cybersecurity with expertise in network protocols, routing and switching, IP addressing, VLANs, and subnetting. Proficient in configuring networks, analyzing network traffic, and optimizing performance to ensure secure and reliable operations. Experienced in conducting vulnerability assessments, penetration testing, and threat detection using industry-standard tools, including Metasploit, Burp Suite, OpenVAS, Tenable Nessus, and Splunk. Adept at identifying vulnerabilities, mitigating risks, and ensuring the stability and security of digital infrastructures. Dedicated to deliver reliable and secure IT solutions in dynamic environments.

ACADEMIC EXPERIENCE

Cybersecurity and Networking

Aug 2024 - Present

Home Lab Projects

- Conducted vulnerability assessments and penetration testing using platforms like TryHackMe and Hack The Box, developing expertise in threat detection, exploitation, and incident response.
- Utilized industry-standard tools such as Wireshark, Burp Suite, and Metasploit for traffic analysis, vulnerability identification, and remediation strategies.
- Designed, configured, and maintained virtual networks with GNS3 and Cisco Packet Tracer, simulating complex real-world environments to validate configurations and security measures.
- Applied advanced networking techniques in routing, switching, IP addressing, VLANs, and subnetting to enhance performance and reliability in simulated environments.

Zero Trust Cyber Bot (ZTCB)

Oct 2023 - July 2024

Network Security

- Developed an AI-driven chatbot for intrusion detection in edge networks using machine learning models, achieving 86.84% accuracy with Decision Tree and 83.48% accuracy with Random Forest.
- Utilized Raspberry Pi to create a virtual network, enhancing network security through real-time packet analysis.

SKILLS & INTERESTS

- Technical Skills:** Penetration Testing, Vulnerability Assessment, Exploitation and Enumeration, Network Traffic Analysis, Wireshark, Wi-Fi Penetration testing, Incident Response, Firewalls, IDS/IPS, Burp suite, Metasploit, Tenable Nessus, Splunk, Web Application Penetration Testing, TCP/IP, VLANs, Subnetting, Routing & Switching, C, C++, MySQL, Python, Linux
- Interpersonal Skills:** Teamwork, Critical thinking, Problem solving, Time management.
- Interests:** Hiking, Bodybuilding, Traveling

CERTIFICATIONS

- EC-Council:** Certified Ethical Hacker (CEH) Practical
- Try Hack Me:** Jr. Penetration tester
- Fortinet FortiGate:** Fortinet Certified Associate in Cybersecurity

PERSONAL INFORMATION

Valid Emirates ID

Marital Status: Unmarried

Nationality: Pakistan

EDUCATION

University of Central Punjab

(UCP), Lahore, Pakistan

Oct 2020 - July 2024

- Bachelor of Computer Science

Punjab Group of Colleges,

Lahore, Pakistan

Sept 2018 - May 2020

- Intermediate in Computer Sciences

Pakistan Islamia Higher

Secondary School, Sharjah,

UAE

Sept 2016 - July 2018

- Matric in Computer Sciences

LANGUAGES

- English (Fluent)
- Urdu (Native)
